Tricare 24 hour Nurse Advise Line - Tricare must authorize a visit to an Urgent Care clinic- call 1-800-874-2273

ALERT

Urgent care centers should be utilized instead of going to emergency rooms for non-emergent medical conditions when medical care is needed after duty hours. **Emergency rooms are designed to treat emergencies involving life, limb or eyesight.** You must contact the after-hours-nurse line at 1-800-874-2273 to obtain approval before going to urgent care visits. TRICARE beneficiaries who take certain brand-name medications on a regular basis must fill prescriptions at a military treatment facility or through a mail-in program

DOES the Pharmacy accept Tricare? If a clinic or hospital wants to send your prescription to a pharmacy that doesn't accept TRICARE, (when possible) request to be given enough medication to last until a TRICARE-APPROVED Pharmacy opens. You may also request the written prescription to use the mail-order pharmacy to order, or on the next business day go to the Lyster Pharmacy during the weekdays (0700-5:00 PM)
